“ I was saddened to read of Jean's passing. She was one of the most truly unselfish and caring persons I have ever known. I first met Jean in the early 1970's when we both taught what was then "home economics" courses at Staples High School. We both had young children at that time. I know Jean loved her family with an intensity to be admired. and always spoke lovingly of them. Jean's family moved and I lost track of her but know that her husband's ministry- called them to several states. Jean and her husband raised their sons--I know Jean reared them knowing God's love and the love of family.

I last saw Jean about three years ago, briefly and she was so upbeat, and the same smiling, sweet person I remembered from decades before. I didn't know that would be the last visit; I know that Heaven is blessed with another Angel, because Jean was surely one of God's finest during her too short time on earth. Rest in peace Jean, You will be missed!

“ Jean was my favorite cousin and we shared many childhood experiences. One of which was making hollyhock dolls and floating them in a old galvanized tub at grandma Clarks. Though we were separated in our young adult years we reunited about 10 years ago and picked up where we left off....love was the common denominator. I miss her so much but send love to her as she rests in peace.

“ Although it has been a long time since we have been in personal contact, I always remember what a sweet and Godly woman Jean was, and count it a privilege to have known her and Chuck. They were always pleasant to be around, and I always sensed God's beautiful presence in both of their lives. Our prayers are with all of you as you grieve your loss and rejoice in heaven's gain! With love, Doran and Becki Kelvington

“ What wonderful memories we have of sharing times with Jean and Chuck. Her love for the Lord, family and friends was shown in many ways. We are thankful for the times she opened her home and hospitality on some of our travels to MN and we were lucky enough to have them at our home too. Our love and sympathy to all. God Bless.

“ Jean Chaffin was one of the most loving gentle soul I ever met. I remember our days at the Nazarene Bible college and how supporting she was of Chuck as he prepared for his calling from the Lord. She and Chuck had me over several times for a meal. You will be missed by all those who know and love you. Now you are at peace with the Lord and your days of pain is over.
