“ Kem was a great friend and a role model to me in the way he displayed pride in his work, loyalty to friends, and the priority he placed on family time. There are so many things I was looking forward to doing together with Kem, another year in the field that we won't get the chance to do again. Yet I am so thankful for the countless memories and lessons he helped me learn over the past 8 years. I will miss you every day, Kem.

“ Vickie and family; We are so sorry to hear of Kem's passing. It is such a shock! He will be missed! May God grant you peace! You all will be in our thoughts and prayers! Deepest sympathies at your loss, Verndale has lost a super guy! Jay just had coffee, well Kem had apple juice, a few days ago! God has a plan and there is always a reason, even though we do not know what or why. Just take comfort in the love our Savior has promised when we will all be with our loved ones again. Keep the great memories always! Peace be unto you all. Jay, Jackie and families.
