

## Dr. Aaron Larson

November 18, 1964 - December 1, 2021

The memorial service celebrating the life of Dr. Aaron Larson of Wadena will be held at 11:00 a.m. on Tuesday, December 7, at the Immanuel Lutheran Church in Wadena, with Pastor Nate Loer and Pastor Megan Clapp presiding.

Visitation will be held at the church on Monday, from 5:00 until 7:00 p.m.

Visitation will resume at the church on Tuesday from 9:30 a.m. until the time of the service.

The family requests that those who attend the visitation or service in person be vaccinated, wear a mask and refrain from physical contact.

Aaron passed away unexpectedly of natural causes on December 1, 2021, in Wadena, MN.

Aaron Edward Larson was born to Edward Jerome Larson and Eunice Irene Larson (Anderson) on November 18th, 1964 in Fargo, ND. He and his parents lived in Moorhead, MN where Aaron grew lifelong passions for music and nature. He attended Concordia College Moorhead earning a Bachelor of Arts degree in biology with a minor in music. He went on to study medicine at the University of Minnesota Duluth and the University of Minnesota Twin Cities. During Medical school, he married Peggy Wambach, his high school sweetheart, whom he met in Apollo Strings where he played cello. He

completed his family practice residency in Sioux Falls, SD where he and his wife welcomed their first child, Hanna, in 1992. After accepting a position at the Wadena Medical Center in 1994, Aaron and his family moved to Wadena, MN where they welcomed two more children, Drew in 1995, and Alec in 2000.

Aaron spent 16 years practicing family medicine finding purpose caring for patients of all ages, especially delivering newborns. One of his sources of joy through his work was getting to know his patients through conversation. In 2010, Aaron felt a calling to continue his education and pursued a degree in psychiatric medicine at the University of Minnesota. He completed the degree in three years and returned to Wadena to practice rural psychiatric care. Aaron deeply loved both his patients and his medical family.

Aaron had many passions outside of medicine. Even though he wasn't a farmer, he loved all things farming and was happy to volunteer his time helping Peggy's dad on the farm. He was a diehard Minnesota sports fan and especially loved attending Twins games with his family. Riding his Harley and taking trips with valued friends were cherished experiences. He was deeply moved by performing and listening to music. Time spent in nature, whether hunting, fishing, or just being outside, always brought out his sense of wonder. His happy place was the family cabin on Big Pine Lake surrounded by beloved neighbors and family.

The greatest joy of Aaron's life were his three children and three grandchildren. He was so proud of his children and the compassionate adults they have become, and treasured moments they could spend together. He loved being "Papa" and could be found playing trains, army, or wrestling on the floor whenever his grandchildren were around. He was looking forward to the birth of his newest granddaughter in March of 2022.

Aaron is preceded in death by his father Edward Larson, and his mother-in-

law Bernedine Wambach.

Surviving Aaron are his mother, Eunice Larson of Sebeka; wife, Peggy Larson; children, Hanna (Mike) Sievert [Grand Rapids, MN], Drew [Sitka, AK], and Alec [Northfield, MN]; grandchildren, Bentley, Stanley, and Guinevere; father-in-law, Robert Wambach [Georgetown, MN]; along with a host of family, friends, neighbors, colleagues and co-workers.

Honorary urn bearers will be all of the current and retired members of TCHC medical staff.

Active urn bearers will be Hanna, Drew and Alec.

Burial will be held at a later date in Riverside Cemetery, Moorhead, MN.

The family suggests memorials be directed to the University of Minnesota Duluth Medical Center or the Mayo Clinic (<https://philanthropy.mayoclinic.org/donateMC>)

BA

“ I am Aaron’s cousin, Becky Anderson...Aaron’s mother Eunice is my aunt, my dad’s sister.  
I was so shocked to hear from our cousin, Belinda Benson, just yesterday that Aaron had passed away suddenly. My heartfelt condolences are for his family and friends and coworkers who will miss him dearly. He was a kind man who put others before himself—a loving son, husband, father and grandfather. He was a caring and compassionate doctor to his patients.  
He was faithful to attend my parents’ funerals and to bring his mother, ‘Auntie Eune’. Bless her heart... at 98 she has suffered much loss.  
And my heart goes out to Peggy... so young to go through this suffering and pain of continuing life without her beloved husband. I am praying for all the family that God will give them strength and comfort during this sad time and for the days and weeks to come. Our hope is in eternity with Him...  
With Love, Becky

“ Sitting here at memorial service time and remembering Aaron as I can't attend and desperately wish to be there. Thinking about all the smiles and his quiet sense of humor, about kids being thrown around the pool by Aaron and the other resident dads at Arrowwood, and really about his love of the kids in general. I know he will be sorely missed. Sending love and keeping you in my prayers.

“ Dr Larson was the doctor on call one time in the ER when I had to go there and I was impressed by how caring he was. For the last few years I have been seeing him at the old hospital. He always had time to listen ... that's what makes a good doctor. I remember the last words that he said to me. We were talking about one of my therapy cats and said that if nothing else I have the cat (saying the name). He said "that you do". He will be missed.

Tammy Fredrickson - December 04, 2021 at 06:24 PM

“ *Dr Larson brought so much healing to this world. He treated my kids who absolutely loved him. Our family is Ojibwe and his understanding of Indigenous knowledge systems was something that is rare and precious. He also was a strong advocate for my children, he understood autism on so many levels and always had our backs. We will lay down tobacco and put out a spirit plate to honor him as a healer today. He will be deeply missed. My condolences to his family and loved ones.*

“ Peggy, Hannah, Drew, Alec and extended family:

*Prayers for peace to bring you comfort, courage to face the days ahead, and loving memories to hold in your hearts forever. Dr. Larson's warmth, strength, and gentle spirit will always be remembered. I will be forever thankful for the opportunity I was given to chat with him a few weeks back while he was working in the garage (and he was so happy to meet our new puppy, Jackson). Whether talking about current events, weather, or life itself, his attentiveness showed his love and devotion to his practice, and goodwill to all mankind. He will be deeply missed and leave an enormous void to family, friends, co-workers and the Wadena community.*

*How joyous it will be for Dr. Larson to be wrapped in the arms of Jesus, our Savior this Christmas.*

*Rest in eternal peace, Dr Larson.*

“ Dr. Larson was my doctor for many years when he first came to Wadena. He was such an amazing person and doctor. I had him for both my pregnancies. My second pregnancy he had to tell me my daughter didn't have a heartbeat and he and I cried together. I've never shared such a personal and emotional moment with any other doctor before in my life. It meant so much to see how much he cared. After that I found out he went to do psychiatry. It broke my heart to lose him as a doctor but he seemed happy in his new adventure. So I gave him a hug and wished him my best. I got the phone call about him passing the other day and it broke my heart. Thoughts and prayers to Peggy and the family. He will truly be missed.
