“ Dearest Bob and Cheryl was saddened to hear of your daughters passing. Her obituary was beautiful and she lived her life with kindness and love . What a beautiful family you have and I'm sure her time on this earth was full of love and happiness. Keep all those memories close in your heart . It's not the years in her life it's the life in her years and it sounds like her legacy will live on in you all.❤️ Our deepest love for you all during this sad time. Maryjo and john sabia❤️

“ What delightful human being!

I have always enjoyed Abby's loving and joyful spirit, ready to enjoy life at a moments notice. She lived her joy each day through the highs and lows keeping a steady dose of laughter nearby.

I will miss her.
