

Alfred McPeck

December 8, 1941 - April 2, 2020

The private graveside service for Alfred McPeck of Wadena, MN, will be held at the Wadena Cemetery. Honorary pallbearers will be Jarod, Cassidy and Sophia Rose Drobny.

Alfred, age 78, passed away on Thursday, April 2, 2020, at the Green Pine Acres Nursing Home in Menahga, MN.

Alfred was born to Alfred and Dorothy (Berg) McPeck on December 8, 1941, in Wadena, MN. Alfred grew up and lived his entire life on the family farm. Never married, his sister, nephews and their families, were the foundation of his life. Although quiet by nature, his love for his family was evident.

Alfred's life was hampered the last few years with major medical issues, but he always bounced back. Until cancer hit. He no longer had the energy to enjoy his favorite things. He loved going to the area polka dances, the music and catching up with friends. He loved going to Menahga to the Cottage House Cafe, his favorite restaurant, where the ladies gave him extra attention. Alfred loved family 4th of July at the lake. He loved attending the Cajun Fest at Northern Lights Casino; he has more beads than New Orleans! Since being more home bound he found enjoyment in phone calls, visits, and watching the multitudes of birds outside his window. He will always be remembered for his great memory of detail to facts, dates, birthdays, events. Did you know that

robins should be back by March 12th? Did you know he had more weather data than the weather man? Did you know if you said you'd call at 8am, it had to be 8am?

Alfred's nephews loved being at the farm, feeling a connection to their grandparents and taking care of Alfred. Without them, Wendy, and his great friend Daryl Huwe, he wouldn't have been able to stay at the farm as long as he did. Thank you.

Preceding Alfred in death were his parents Alfred and Dorothy; and sister Judy Redetzke. He is survived by his sister Donna Drobny of Buffalo, MN; nephews Scott (Wendy) Drobny of Sauk Centre, MN and Patrick (Melissa) Drobny of Madison, MN; great nephew Jarod Drobny; and great nieces Cassidy and Sophia Rose Drobny; aunt Thelma; several cousins; along with his friend, Daryl Huwe.

The family wishes to thank Green Pine Acres in Menahga for caring for Alfred recently until his time of death, and Schuller Family Funeral Homes for providing personal and professional services.

“ I met him at polkafests. Neither one of us danced but we enjoyed the music and visiting. Every Christmas he would send a card just to keep in touch. He was always dressed western and proud of it. My sympathy to the family which he was proud of and talked about all of you, from Norma Quam a friend from Fosston , Mn

“ I feel as if I have lost a brother. JR and I shared many deer scouting trips and great meals together. We had a lot of laughs and enjoyed many family get togethers, we even had a few great years of hunting together. The last few years have been very unkind to JR and now with Gods help I know he will get the restful and painless sleep he has earned. You will be missed JR. A old friend Paul

Thanks for the nice message. He always enjoyed your calls and visits, even if he didn't say so. He'd always tell me when you called and how long you talked, right down to the minute. He had an excellent memory and recalled every detail. Now there's no one to tell me the dates of events, talk about the moon phases and relatives no one else remembers. So much history he had to share. Now he's with our dad, mom and Judy and finding peace and healing the medical world was never able to achieve. He knew he couldn't go back to the farm, so God took him home.
I'm sorry we can't have more people at the grave side service, but we will have a celebration of life this summer.

“ When my four boys were little and we vacationed in MN, from Florida, we were inside having coffee and the boys were outside playing. All of a sudden Jr. (Alford) was outside. The boys had climbed thru the fence and there was a bull with a chain in that fenced area. Somehow all four boys were gotten out safely. Alford told or remembered that thru the years when I would see him. I am going to miss sending my cousin, Jr., (to me,) cards. I am sure many people will miss seeing him in the local restaurants and 4th of July will have a big hole in it where he always came to the McPeck picnic. Deer hunting for his family will be very different now. How do we mourn when we know he is healthy now and happy? To think, no more sadness or pain for him. It truly is a time to celebrate for Alford McPeck and whisper or shout a prayer in his memory. I will miss you, my cousin. I plan to move home this early summer and had smiled at the thought of you coming for lunch. Now lunch is postponed until I come to sit on your cloud with you. If I go fishing, I will look to the sky and wave at you. John 3:16.....Love, Audrey Petersen
