Amos was welcomed into his parent's arms on March 26, 2007 in Alexandria, Minnesota.

It was easy to love Amos. His keen intellect, deep humor, and quick wit fueled many unexpected conversations which playfully ended with Amos' trademark: a bright smile and a sparkle of the eye. A young renaissance man, he loved to share his insights with family and friends. A gifted PSEO student and tinkerer, Amos was turning his hobbies of metal forging, knife making, tool making, wood working and Arduino and Raspberry Pi programming into mechanical engineering studies. Amos enjoyed the company of his Catholic youth groups

and served in various capacities at Mass. His tall, joyful presence and his promising young life ended by suicide on July 17, 2024. His scramjet design and his blast furnace project are now forever incomplete.

Sorrowfully carrying him to his final resting place are Jonas, Aaron, Anika, Joel, Joseph, and Jacob, his siblings, and his friends David Freyholtz & Hunter Waln.

Prayerfully carrying him to the merciful arms of Christ are his parents, Rev. Jean-Claude & Anne, his siblings Jonas (Katie), Aaron (Lydia), Anika, Joel, Joseph, Jacob, Samuel and Sarah, his grandparents Anna Duncan, Willis and Rosalie Thoen, his niece Emery, his nephew Luke, along with many good friends. Preceding him into eternal life are three unborn siblings and his grandfather, Thomas Duncan.

Amos' parents plead with teens secretly struggling with suicidal thoughts to reach out to a friend, talk to a trusted adult, or call or text the national suicide hotline at 988.

“ I’m so so saddened by this 🥹🙏💙🦋 we were all neighbors in Deer Creek, the best of loving neighbors that I have ever had 🥹🙏💙🦋 the first time I moved in my beautiful princess Annie welcomed me to the neighborhood, so beautiful and so welcoming. As days went on we became close and her family helped me through so many struggles, with God's Peace that they shared with me 🙏 we had several prayers and hugs through the 3 1/2 years that I lived there. Sharing food and garden veggies and vey special talks. They all took care of Kimmie, God Bless 🙏 The winter two years ago was terrible, Amos plowed me out every day 🥹🙏💙🦋 The other boys helped me so much and also in my gardens 🙏 Annika and Amos had to push me into the drive way one time or more so I could get into the garage to be stranded for days with that winter 🥹 The best caring loving family that I’ve been blessed to have as friends 🙏🥹💙🦋 forever and always. 🥹🙏💙🦋 my heart is very heavy, God is holding him and your family very tight now and always, as I am also 🥹🙏💙🦋 I love y'all so much 🥹💙🦋🙏 GOD'S PEACE FOR NOW and FOREVER 🥹💙🦋🙏 See You all soon 🙏 Thoughts and Prayers for all 💙🦋🙏

“ Amos Duncan was an amazing young man who forever touched the lives of our family.

Most notably, David who was always at Amos's side whenever possible and a fellow member of KADHIA (Amos was the first A). He was also a dear friend to Johnathan and the rest of our children. Amos's witty humor, joyful spirit and enthusiasm for life made him a large presence at any gathering, of course his 6'6" frame didn't make it easy to miss him.

His mechanical aptitude made him a trusted partner in an ongoing go kart project which will now certainly be slower without his influence.

The pain of the last few days only lessens with joyful memories of Amos and the rest of the Duncan family.

Praying for all with saddened hearts,
Andrew, Ruth, Johnathan, David, Lydia, Martha, Caleb, Anna,
Joshua, Daniel, Samuel and baby Freyholtz
