“ We enjoyed so in years past visiting on the farm and going to county fairs. We will all miss Annie but are most grateful she could enjoy 96 years with family and friends.

“ Some of the best memories I have from my childhood are visiting The Farm both for Fun and Good Food. Aunt Annie always had home baked beans special for me.

“ Living and being raised in Calif. I didn't get to visit with and see my "Aunt Annie" over the years as often as I would have liked but she would write letters to her Sister Florence (my Mom) and I would read them to my Mom and I would enjoy them so much too and would hear what all she was doing even tho she was ill and what a blessing it was to all of. We will miss "Aunt Annie" and her letters but we know she is now with our Lord and there will be no more pain or suffering. What a testimony you were "Aunt Annie" and you will be missed... God Bless you....
