“ Hi Debbie and Family: Annabelle was the greatest person. She always had a big smile for everyone. Her heart was full of love. We all know this by how kind she was to us. Marlene and I could never forget her because she would always call us on the phone for every holiday, birthday or anniversary. We will always remember those drives to Bertha and Wadena for lunch we enjoyed with you and your Mom. She always had a joke or two to share and laugh at ours if even not funny. Oh boy, she had to be a super mother one that I would have loved to have had her for a Mom because of all of her love she has given me and my Marlene.
