Mom, I have so many fond memories of you, us and the whole family. My favorite one and one that I have always shared with everyone is of the first time we met. Mitch and I walked in the door on my first visit to Minnesota and Mitch introduced me as his future babies mama and you, I and everyone else had tons of laughs that night. Little did we know...I love and miss you MOM.

“ *Annette was my godmother, and my dad's sister. I couldn't ask for a better aunt and godmother! I was always loved unconditionally, and believe me, I haven't always been lovable. She had this amazing combination of strength and gentleness. Sometimes I think of Annette as Abbott and Herman as Costello, because Annette was his "straight man" and my soft place to land--I really appreciated that over the years :) ! The sun in my world is a little less bright without her in it.*
