“ *God looked around His garden*

And found an empty place.

He then looked down upon the earth

And saw your tired face.

He put his arms around you

And lifted you to rest.

God's garden must be beautiful

He always takes the best.

He saw the road was getting rough

And the hills were hard to climb,

So He closed your weary eyelids

And whispered "Peace be thine".

It broke our hearts to lose you

But you didn't go alone,

For part of us went with you

The day God called you home.

*God's peace and Love be with you during these difficult days. Tony
was a gem among men and he will be a gem in heaven.*

“ I will never forget going to the farm in Wadena and hearing Rosie's laughter coming from the kitchen and Tony out with the cows with one of his infectious smiles on his face-I don't think I ever sae him without one-God is certainly lucky to have them both home now. We will miss him. I hope the sorrow you all feel is lessened by knowing Tony is with Rosie in the arms of God-Take Care and God Bless Shelley
