“ I was truly shocked to hear of Arlene's passing! I have many fond memories of the when we were both living in Outlook. She always had a smile on her face whenever we would meet. My deepest sympathy to all the family. Doris Lustig

“ When my sisters and I were young we would walk to and from school past the Halonen residence. It was always special when Arlene would stop us, invite us in for something to drink, and occasionally give something of hers! Our mother included Arlene on several outings we went on as a family! Those were good times.
