“ *My parents, Wes and Margaret Johnson, my stepmother, Ella, and my siblings, Toni, Glenn, Debbie and myself all counted Art as one of Immanuel's real gentlemen and he will be missed.*

Personally, I worked with Art at Lampert via their general offices and called on the Wadena operations, meeting with Art and other of his colleagues many times. He was the coordinator of the last remodel project at our family home on 2nd street in the 70's...great job, Art!

Although we share some small measure of your grief at Art's passing, we know that many great memories will help to sustain you. It's our prayer that this be so.
