“ Dear Wallenberg kids,
My deepest sympathy to all of you. I am glad that we were neighbors and chore kids growing up. I learned lots from your parents! Arvilla was always ready for a glass of wine and a good talk! Your mom was a class act until the end. She will be missed. My thoughts and prayers are with you during this most difficult time.

“ What a loss to a family a mother is. I remember her so well when Jean and I hung around together at school. All the sleep-overs she put up with! We had a great time out to their place. I saw both of them, in later years, several times when I would stop by the elevator in Ottertail and put up sale bills for the auctioneer I worked for then. We always would have a nice chat. My husband, Mike, and I send you our saddest and deepest sympathy. Mike and Vickey Goeden

“ With heartfelt sympathy, We're so sorry to hear of your mom passing. We only met her a few times, when with my mom, but knew right from the start that she was a very special lady. My mom enjoyed her company so much. I think they were good for each other and enjoyed their time together. I think it is important for people to have someone as they get older to visit or to go places with; especially when their own spouses have passed on. Our deepest sympathy goes out to your family and friends. May the many precious memories you have help to ease your sorrow as your mom will surely be missed.
With Sincere Sympathy,

“ Dear Sue, Dick and extended family:

Our deepest sympathy on the recent loss of your dear mother, Arvilla. My family has such wonderful memories of visiting Bud and Arvilla on the farm just down the road from ours growing up. We children played softball and rode bikes together all the time.

We sort of lost track of the family after the move to Ottertail Lake but the wonderful childhood memories live on forever.

Peace be with you and yours at this time.
