

Audrey Clementson

March 10, 1927 - September 1, 2020

The funeral service for Audrey Clementson, of Osakis and formerly of Eagle Bend, will be held at 2:00 p.m. on Saturday, September 5, at the Faith Lutheran Church in Eagle Bend, with Pastor Del Moen presiding. Visitation will be held at the church on Saturday from 12:30 p.m. until the time of the service.

Audrey age 93, passed from this life to eternal life on September 1, 2020, at the Lakeside Lodge Adult Foster Care in Osakis, MN.

Audrey Loretta (Farrell) Clementson was born to James and Clara (Hammond) Farrell on March 10, 1927 in Eagle Bend, MN, where she grew up with two brothers, Chester and Orville. Audrey was baptized June 12, 1931 and confirmed July 4, 1937 in the Lutheran faith. She graduated from Parkers Prairie High School on May 13, 1945.

Audrey was united in marriage with Darrell Luverne Clementson on June 8, 1947, in Petri Lutheran Church in Eagle Bend. They were blessed with daughters Shirley and Marlys along with a son, Duane. They farmed in the Eagle Bend area from 1947 until 1955. Due to Darrell's health they moved to Conrad, MT until 1959. Audrey always referred to these years as the vacation! They returned to Minnesota and lived near Rose City before moving to Eagle Bend in 1965. She was a sales clerk at Weibye's Department Store from 1965

until the store closed in April of 1993.

Audrey was blessed with many talents. She was a wonderful and faithful care giver to Darrell, especially after his stroke in 1971 until his death in 1980. She loved her children and grandchildren. She made it evident in everything she did, including making their favorite foods for holidays. She also shared her handiwork, which was anything she could make with knitting needles or crochet hooks - quilts, afghans, slippers, doilies, pot holders, dish cloths, and covered hangers. Her hands were rarely idle and her sewing machine was always open to work on her many sewing projects. Audrey also made and decorated beautiful wedding, anniversary and birthday cakes, all with precision and love. She made all of her children's wedding cakes and even some for her grandchildren. When Audrey's hands weren't busy her feet were...she loved to dance! She also loved her travels to Arizona, the west coast, and Alaska, and enjoyed bus trips to other parts of the US.

Audrey gardened many years until moving from her home in 2012 to the Greenleaf Apartments in Eagle Bend. She moved from the apartment to an assisted living in Alexandria in 2015, and two years later to the Lakeside Lodge Foster Care in Osakis.

Preceding Audrey in death were her loving husband Darrell; parents James and Clara; and brothers Chester and Orville.

Audrey will be greatly missed by her children Shirley (Dennis) Nesges of Wilmar, Marlys (Monte) Severson of Alexandria, and Duane (Sandy) Clementson of St. Peter; 9 grandchildren and 12 great-grandchildren; sisters-in-law Claudia Farrell and Elaine Clementson; several nieces and nephews; along with numerous other relatives and friends.

Pallbearers will be Audrey's grandchildren.

Burial will be in the Swedish Emmanuel Episcopal Cemetery, Eagle Bend, MN.

Memorials may be directed to the Douglas County Hospice, 725 Elm St #1200, Alexandria, MN 56308 hospicedouglascounty.org

“ Audrey was one of those beautiful people who saw the good in others. A rare gift. She was a wonderful cook and passed it onto. We will always remember the summer gatherings she held at her home in Bagley. It was so nice to be included and she always made us feel welcome, like a part of the family. We will remember the fellowship of Christ that shared with everyone. Rest In Peace good and faithful servant.

Much love,

“ *Your mother, grandmother was such a beautiful soul. I spent many times visiting with her when I would get groceries at Weibye's in Eagle Bend. She was always kind, friendly and had such a wonderful attitude about life, never complaining about anything she had to endure. My sympathy to all of you. Heaven indeed gained another angel.*

“ Grandma,
Through many prank and prolonged phone calls, I can summarize our conversations into three categories.

1. *Life: You made a lot from a little. Because of this, your creativity and innovation was displayed in everything that you did. If something of mine was broken, ripped or torn...I could drop it off and it would come back better than new. You were so humble and always pointing out what you should of done differently in your work but I couldn't even tell after you pointed it out.*

2. *Love: You were always asking how I was doing and what I was up to. You were always glad to hear I was staying busy which then - almost always- turned into you talking about your days with Grandpa and the love you had for him. You cherished relationships and emphasized how important they were.*

3. *Death: To others, this may seem like an odd topic to talk about but when we talked about your Faith, your Accomplishments and Grandpa...this conversation was easy, with raw transparency, and it is something I will always cherish because you were at peace with everything.*

It is because of our long conversations, I am at peace and know you are with the love of your life -Grandpa- in Heaven because of your strong and fearless Faith in our Creator.

As most of our conversation would end, "Well Grandma, I need to go but wanted to take a minute to call/stop by". "That's is just fine, don't let me hold you up Mitch, you best be going and appreciate you thinking of me, I love you".

This time it's the other way around Grandma, "Don't let me hold you up, you best be going and I appreciate everything you have done for me. Thank you and I love you".

Until we meet again-"How bout' that"?

“ I am blessed to call Audrey Clementson my Grandma! I am beyond thankful for the many cherished memories I have! Her love will continue to radiate in me through the love she put into making me special afghans, quilts, pot holders, dish cloths, slippers and more!

Though I have many cherished memories, I will share 3.

As a little girl we had a garden at Grandma's house. She would come out with the little red wagon with fixings for a picnic complete with our favorites! When our picnic was complete we usually had red mustaches from the red Kool aid!

When grandma was 80, she came with our family to Glacier National Park. We walked through the woods to see a beautiful waterfall. The view was spectacular! I'm thankful I got to share it with Grandma!

Grandma cherished time with the entire family, especially holidays! She made sure that everyone's favorite holiday food was on the table. She also made sure that after presents at Christmas were opened, there was always one more special gift that usually had a connection to Grandpa!

I know you are dancing with Grandpa! Keep dancing until one day we will meet again! I love you Grandma!
