“ *Your mom has a special place in our heart. She was like a second mother to me. We cherished each visit and always had great conversations. She will be dearly missed and I will always remember her great smile and spunky attitude.*

“ *My sincere condolences to your family at the death of your Mother Aurelia.*

I had the pleasure of meeting some of you when you came to celebrate Aurelia's birthday when she lived at the Commercial Apartments as I was there to celebrate my Mother's birthday (Opal) also. They were neighbors at the end of the hall. I found her to be a lovely lady and good neighbor to my Mother.

As your mourn her absence in your lives I'm sure your many good memories and strong family ties will be a comfort to each of you.
