On September 29, 1961, Barbara was united in marriage with Edward Burczyk at Wilno, MN. She and Eddie moved to Staples in 1963. She always loved being around and watching her great grandkids with all their energy!

“ It’s never easy to say goodbye to someone who has been such a blessing in our lives for many years. When one passes there’s a hole where they had been in our hearts. That’s what I think so many of us feel right now.

Some of you knew Barbara better than others, but we are all sharing the same pain. She had such an impact on the lives around her, which is probably why this goodbye won’t be easy. In such a difficult time we all should try our hardest to remember the good memories we all had of her, that will help us find comfort in this hard time. Some of you may remember all the crazy things she used to do or say. One of my greatest memories is going to a near by ice cream shop with her as a child and getting twist cones and walking back to the nearest park across from where she lived. Or the times she used to let us help her pick tomato’s off of her plants. Growing up I spent a lot of time with my grandma. She was such a fun, yet loving soul. Even as a young child, I remember when she used to bake for all those around her because she loved to do this for others to enjoy. My grandma Barb was the best listener. We would talk for hours every week, and she always had the funniest things to say along with the best stories to tell. It’s such a hard thing to say goodbye to someone who we all cared for deeply. I am fortunate in my adult life now that I can say I had someone who walked with me every step of my childhood, showing such unconditional love. I am saddened by this passing and life will never be the same. But I am so forever grateful to continue to keep her memory alive with those around me, as well as my children. We will continue to tell stories and share laughs and tears, as the loss of this beautiful women will never be forgotten. It’s a relief she doesn’t have to suffer the pain anymore. It’s also a relief to know she will get to walk along side people she has lost along the way. Whatever she does, people will see and know just how great she is.
