Tribute Wall

“ I met Ben when they moved to town I was 16 racing my car around town. He loved to tell the story of how we met. One Christmas Yvonne was so excited to give Ben a present. He had the biggest smile over a full carton of snickers candy bars. Ben and his family became my family for many years. Ben would reach out or stop by without warning after a year or more without contact. Yvonne and Ernie there for me until Ernie’s last breath. A good family one you can’t find anymore.
