“ Dear Family,
We loved working with Bunny. She was so patient, funny, and helpful. I loved how she referred to me as her little "Molly Malone". She always had a smile and a friendly way; I never saw her in a bad mood. We enjoyed running into her after she retired, when she would be working at the voting registration tables. God blessed you with a very sweet woman in your family.

“ "Bunnie" always had a friendly hello and smile in Dassel. I was from Bertha too and knew the family there. We shared news when ever we saw each other. I will miss her.
