“ Heaven opened it doors to another angel, my grandma. Though my heart is full of sorrow I know you are no longer suffering and that brings me peace. I will forever cherish the memories of holidays spent in your cute little 1 bedroom home. All of us smashed into one room. Thinking back it seems crazy we all fit, but to me those memories are so near and dear to my heart. Or how you would always be so excited when we would arrive waiting with open arms for hugs and kisses. I smile knowing Aunt Brenda and Tyler were there waiting for you with open arms too! Thank you for being an amazing grandma and for the love only a grandma can give. I love you grandma, always.

“ *Carmel was a very strong willed lady. We had some great times together for a couple of years before going into the care center. She had her faith so we know she is now up in Heaven with her daughter.*
