“ I met Carrie at Inga's Place when my mother was there. She was the nicest person and said the nicest things to me when I was there. I remember when my mom died she said to me "she was a very nice person and raised very nice girls, she is now where we all want to be someday and If there is any place to wait until we get where is she, this is the nicest place (Inga's Place)to be while I am waiting." And boy is she right. I am sorry for the family's loss but remember she is now where she wanted to be and no more waiting. :)
