“ To all my "Brothers and Sisters",

What a great Mom you had - Aunt Cele always made me feel like one of the family - to the point of doing the dishes and cleaning house. I am so glad my Mom got to visit with her the week before she passed. I will miss her.

“ I'm going to miss visiting Mrs H when I get to Wadena. I hope the new owners of the house don't mind me stopping by and sitting at the kitchen table for a little while every now and then.

“ I never met, and therefore didn't know Paul's Mother, Cecelia..... but I do know that the apple seldom falls far from the tree, so she must have been a special person.

My sympathy to all of her family and friends. It's never easy to lose someone we love..... but hopefully are able to be ever thankful for the time with them, and the memories we hold in our hearts.

“ When I think of my Aunt Cele, I remember a warm, loving and gracious person whom I shall miss very much. Her quiet sense of humor and loving ways were a treasure to all. My prayers are with all the family as they (and we) mourn her loss and celebrate her life.

“ Visiting Aunt Cele always felt good. Even if I had been away for several years since the last visit with her, she always made me feel as if it were just yesterday. Her coffee pot was always on, along with some tasty baked good to go along with it, and we'd settle down for a good chat.

We both enjoyed the fact that we had the same wedding anniversary (October 12th), and she was especially good about remembering the date with a card. I will miss Aunt Cele, but I have wonderful memories of her.

“ We learned to know and appreciate Cele mostly during her visits to Bob and Giselle when we were also visiting them. We found her to be a very gracious and loving mother and grandmother. She loved giving the Beanie Babies that her and our grandsons, Brent and Tim enjoyed. We will miss her.

“ *Both Cele and Walt have always been a very special part of our family. They were like grandparents to Tim and Christine, who thought staying at Walt and Cele's during the Wadena County Fair was the ultimate in vacations. As we cousins find ourselves becoming the "older" generation, we see the whole picture of what life and living are all about. Thank God for grandparents, parents, aunts and uncles that taught us well by their example. My love to all of you.*

“ I have such fond memories of the home and household that Uncle Walt and Aunt Cele created in Wadena. Visiting was always something to look forward to and the memories will always be with me. Cele with the quick response to the knock on the door because she was at the kitchen table watching a ballgame; Walt as quick with the firm handshake ready to offer a pint of raspberries from the patch.

I've always marveled at Cele's resilience and ability to rebound over the years to the many health struggles and treatments that obviously underscored a strong determination for life! Now she is at peace and we were all blessed by her life.

“ *Cel was a very special aunt and friend. Whenever you visited her you came away with a special feeling because she truly cared about you and your life. . I admire her will and determination. How many people at 84 would drag an oxygen tube around and never complain? Her first goal in the morning was to get her morning paper so she could complete her crossword puzzle for the day. She battled more diagnoses and diseases than most but never complained or gave up. What a privilege it was to know and love her. Praise God for her life.*

“ Mom was so delighted to be able to spend her final 1 1/2 weeks in her home.

It was an honor for me to be at her side when she died in her sleep Saturday morning.

Mom left us in the same dignified style as she lived her life, confident of herself and caring about everyone around her. We will miss Mom greatly, but will find find joy for the rest of our lives in memories of her and Dad.
