“ Charlie was one of the most dependable truck drivers Polman Transfer ever had. If you gave him a job to do you knew it would get done. He was a hard worker and a likable sort. I haven't seen or talked to Charlie for a few years but I remember him very well and will never forget him. My condolences to the rest of the family. Rest assured that Charlie has found his eternal rest. Bob R.

“ Dad, I Love You and I will miss you so much!

God saw him getting tired
When a cure was not to be,
He closed his arms around you
and whispered "Come to Me"
In tears we saw you sinking
We watched you fade away,
Our hearts were almost broken,
you fought so hard to stay.
But now you are in heaven
So peacefully, free from pain
we would not wish you back
to suffer through it all again.
So treasure him Lord,
In your garden of rest,
For here on earth
He was the best.

“ My family has not lived in Wadena for a number of years. We were neighbors & friends with the Schill family. I was very young when Charlie would come to the house to visit. He was always a kind man. Both my parents have passed on but I know they would want me to say how sorry we are for your loss. Our thought & prayers are with you all.
