“ So surprised to hear of Charlette's passing. My sister Mary Peavey Erckenbrack was a good friend for many years. They hung out together in high school. The last time I visited with Charlette was at Mary's funeral. If there's anyway we eventually meet friends and family some day, I hope those two get together and have a grand visit. Charlette was always very kind and friendly. My sympathy.

“ No one tried harder to live a happy and fulfilled life than Charlette Mettel. How well I remember her as a child, teen, and adult---we had many good times together, and I met all three of her husbands! Our ways parted, but we managed to see one another even though years passed between meetings. The last time I saw her was in a restaurant in Wadena. She was living in Moorhead, and I had always expected to run into her again. I am sorry to hear of her passing, and I wish those who loved her comfort in their grief---she will be missed.

“ Charlette and I were childhood playmates. We lived on the same street in Wadena. I have pictures of my birthday parties, and Charlette was always there. We went our separate ways after high school, but I have never forgotten her. My sincere sympathy to her family and friends. God Bless her soul.....

“ *I first met Char while working with her at the Staples High School. We have many wonderful memories. It was truly a pleasure to know her, and also of Heidi and Dawn.*

After her move to Moorhead, I had little contact with her, to my dismay. I was able to keep in touch occasionally thru Dawn and Heidi.

My heartfelt condolences to your family.

“ Charlette and I met in 1st. grade and were friends through graduation. We both moved many times and lost touch, but were reunited in September 2003 and have been in touch since that time. Charlette told me her health was bad but took it all in stride as she did all the hardships she endured through the years. I send my deep sympathy to all her family. She will be missed.
