Was such an honor getting to know your mom. She never wanted to miss an opportunity to be with the preschoolers for an activity at Serenity. I'll always remember when a preschooler couldn't say her name quite right. She NEVER wanted him corrected. She would smile so big and say "he called me Thar!" Thank you for sharing her with us-Sandy

“ Char was one of the first people that I met when we moved to Wadena in 1967, and we were friends ever since then. She was fun, had a great sense of humor, AND was an awesome cook. I'm truly grateful for our years of friendship.
