“ *Baby I miss you everyday. You are the greatest man that i have ever known. Thank you for spending your life with me. You always made sure the children and I came first you did everything for us. Thank you for giving me your 2 beautiful children to raise, your pride and joys of the world. You were the Best Father and Husband in the world.*

I have to believe you flew up to Heaven on wings of angels by the clouds and stars and pass where no one sees. You walk with Jesus with your Love ones waiting. Just knowing you are smiling down saying "Don't Worry About Me"...

“ *CHRIS,
There comes a time in our life
and we wonder why some things happen.
I remember the day I had finally met you
and there wasn't anyone I could be more proud of.
But I have learned that love and memories outlast the pain and
grief.*

*There's a place inside the heart where love lives,
Where nothing beautiful can ever be forgotten.*

*Like a person as wonderful as you, Chris, You can never be
forgotten, my little brother.*

*So fly on, proud bird
God has set you free.*

*I love you.
Your big sister, Heather.*
