“ Chris I miss you so much! It's been a little over 3 months since you have passed away. I still find myself trying to text your phone. I just can't bring myself to delete your number. You are forever in my heart. I miss getting goofy snap chat videos, late night phone calls, text messages at all hours the day just to make sure I had a smile on my face and vice versa. It's still so hard to think I can never see or talk you until it's my time. I just want to say I miss you so much and wish I could have said one last goodbye. Fly high my beautiful Christopher!! I know when one star is shining bright it's you watching over me ❤️❤️🙏
Gone but NEVER FORGOTTEN!

“ I am so terribly sorry to learn of Chris's passing. He was a former student of mine at the WALC. Chris was bright and a free spirit. He was talented and had his own way of doing things. He shall be missed. Please accept my deepest sympathies in his loss; way too young to leave his beloved family behind. Peace and comfort to you as you all cope with his passing.

“ Oh my dear Chris. I miss you more then words could ever explain! I still can't believe you are gone. I wish I could have been at your funeral. I wish I would of known. Your sister called me today and told me she has heard so much about me and how you thought I was perfect for you. The happiness you felt when we talked. I know I felt it to. We had plans to do so many things. I had so much faith you were going to make it through this. But you made it through as much as your body would let you. I miss you so much. My hear is aching! Our goofy snapchat's videos, to our late night phone calls to vent and talk about life, to making each other laugh, unconditionally. The bond we had was so so strong! A bond that will NEVER be forgotten. Remember the time we went to wal-mart and it turned into a full out adventure? Then we went for a long walk and just had fun. The memories together are forever in my heart and thats whee they are going to stay. You are always in my heart Christopher. Forever and Always. You are now my handsome guardian angel. Fly high in Heaven Hunny because I know its a beautiful place and I know you are pain free and shinning bright! I love you and miss you so much. Gone but never forgotten. Until I see you again!
