“ *We just saw the tribute about Clair and had tears in the eyes. We did enjoy seeing all the pictures. We will miss Clair so very much, for he was our good friend and a very true friend. We enjoyed having him for meals and then would play cards. It won't be the same without him. May he rest in peace. We went to church this morning at 11 and the church was locked, but the crying room was open, there we said the rosary and read from the missal. We sat in quiet and thought of our dear friend. Our thoughts go out to his wonderful family and friends.*

“ *When I was in school at St. Johns I used to visit Grandma in Wadena. She always told one story about Clair from his days living at home. If he had gone out in the evening, Grandma would ask him the next morning what time he came home. He would always say "quarter after." Her reply was always "why don't you get home at quarter till". Clair always got a kick out of her telling this. I was proud to be Clair's nephew, and will miss him.*

“ Through the years our family celebrated many occasions with Uncle Clair. During my growing up years, he always thru a great family picnic which I fondly look back on. I, as well as he, always enjoyed his stories of his growing up in Wadena with his Mom, brothers and sisters, dear friends and extended family.
