“ Dear Virginia and Gloria,
I just watched the beautiful video tribute you prepared for your mother. She was a lovely lady.
I loved her baby pictures and pictures of her with your dad.
When I visited my mother at Shady Lane I would run into your mother when she came to see her friends or neighbors who were residents before she was a resident herself. She always liked to share news of her family with me.
I remember the junior high home ec. class we were in together, Virginia. Do you remember when we had one burner to cook on? We made cinnamon toast in the broiler and managed to burn it a little bit. My sewing skills weren't much better.
You were fortunate to have your mother with you for so many years, but it's still difficult to lose our mothers. You are in my thoughts and prayers.
Sincerely,
Mary Ellen
