“ *Bob and I have been blessed to have such wonderful friends and neighbors as Bid & Bets. Bob will miss the daily phone calls with Bid, and we both will miss the great card games with lots of laughs and stories. We loved his quick wit and sense of humor. My favorite line from Bid was the day after Bid saw Bob giving our yellow lab, Bebe, a ride in our VW convertible. Bid called me and said he had seen 2 blonds in a convertible and one was a real dog. Memories of Bid will keep him alive for us and always in our hearts. And, Betty, we know how hard this will be for you, but know that we are just up the road and always available when you need us.*
