“ Dear Lucille,
Our deepest sympathy to you and your family. We know how hard it is to lose a loved one as we just lost Mom. We take comfort in knowing she isn't suffering anymore. Our thoughts and prayers are with you.
Dad will leave tomorrow morning to go see Adele in Tuscon so won't be able to be there but will be there in thoughts and prayers.

“ To Lucille and Paul,

Dad is visiting me in Arizona. We both send our sympathies. We are thinking of you both at this sad time. We truely can relate to your grief.

It was so nice to see you, Lucille, at Mom's funeral. It didn't know what you were going thru then. Take care.

“ I have many fond memories of working with Clem at Merickel's. His greatest challenge was trying to make me blush -- I don't think he ever accomplished it.
Many thoughts and prayers are with you in the upcoming days.
Take comfort in knowing that we will all see him (and his grin) again someday.
