Craig passed away at the age of 60 years on Saturday, October 31, 2015 at the Tri-County Hospital in Wadena with his family and caring hospital staff at his side.

Craig was born on Tuesday, May 17, 1955, in St. Paul, MN to Calvin Maurice and Jean Marie (Carlson) Klawitter. He was a member of St. Paul's Johnson High School class of 1973. He continued his education achieving a degree in Fishery & Wildlife Management. When jobs were not available for his original degree, Craig went back to school and graduated in the spring of 1978, from the University of Minnesota with a bachelor of science degree in Education. He was hired by Bill Larson at a Corn and Chicken Feed, moved to Wadena and spent his entire career, over 37 years, teaching and coaching in the Wadena-Deer Creek School District. He was a Minnesota State High School League (MSHSL) referee and a member of the MSHSL Softball Coaches Association.

Craig was united in marriage with Tammie Jo Brekke on October 15, 1987, at the Evangelical Free Church in Bemidji, MN. He was a member of Immanuel Lutheran Church in Wadena. He loved fishing, hunting with fellow school teachers and spending time at Upper Cullen Resort. He also enjoyed sports, cooking, bird-watching, gardening, his coffee group and the color orange.

Craig was preceded in death by his parents Calvin and Jean. He is survived by his loving wife of 28 years, Tammie Jo; sons Ryan (Elizabeth) of Duluth and Kevin of Wadena; and brothers Kent and Eric, both of St. Paul. He is also survived by uncles and aunts Eugene (Patricia) Klawitter of Champlin, MN and Kermit (Patricia) Carlson of Emmett, ID; mother-in-law Sharon (Richard) Bunker of Pequot Lakes, MN and father-in-law Eugene (Peggy) Brekke of Blackduck, MN; sisters-in-law Twyla (Alvin) Asp of Thief River Falls, MN and Toni (Dennis) Klein of Fargo, ND; and numerous nieces, nephews, grand-nieces and grand-nephews.

Honorary pallbearers are the Wadena-Deer Creek School District Faculty and Staff. Pallbearers are Norm Gallant, Steve Brown, Denny Barry, Tyler Church, Beth Hawkins and Deb Nelson.

“ Flying chalk, ping pong balls, possibly an eraser... "Eat at Joe's"... Having his friend Denny run down the hallway past our classroom - these are just some of the ways Klaw made sure we would NEVER forget him or the lessons he taught. He taught us more than just science, he taught us what it meant to be a good, decent person. He cared for his students beyond the classroom. He knew each of us and what we enjoyed and how to best reach us when teaching. Personally, he touched my life in a way that made me decide to be a teacher - to attempt to be that person who students know care about them, not just about their grades. I wish we had chalk now a days in the classroom and I would throw a piece or two in honor of this great man. He will be greatly missed. He made the world a better place. My love and thoughts are with all the people he leaves behind to grieve. Tammie, Ryan, Kevin, Elizabeth - prayers to you as you go forward. My love to all.

“ It was an absolute honor to work with Klaw for the past 7 years. You are the definition of an amazing teacher and more importantly an amazing man. You would never admit it but you touched the lives of more people than you can ever imagine. My heart breaks thinking I won't hear you say to me, "Hey Kid" again, but I will always be thankful for the time I got to spend with you. Tammie and boys, you will always be in our thoughts and prayers and will ALWAYS be a part of the WDC Family. Rest in Peace Klaw

“ Craig and I worked many years as colleagues, beginning in the old Junior High building. For 2 years before and 4 years after my retirement we worked together as computer technicians for the school district. Craig was fun to work with, but the memory I will cherish the most will be the 10 years I helped him as assistant coach for the WDC softball team. My heart goes out to Tammie and family - may God give you the strength to carry on, and Craig, enjoy your new home!
