“ Sharon and family,
Each night I check the obituaries from surrounding towns and was saddened to see your mom's tonight. I know the last time we talked, you said she was failing however, when it is final, it is still hurtful. Please accept my thoughts and prayers for you and yours these days.

“ I remember hearing about Crystal from my Grandma Decker for several years and then found out she was Sharon's Mother. Crystal was always gracious and had a smile for everyone. She will be missed.
