“ I work for Cynthi's husband Fred. Although I did not know her well I was impressed by what Fred told me about her and the love, teaching and care she provide to him and their children.

“ I first met Fred when I came to work for GTRI/ITTL. I never met his wife Cynthia during his employment at Georgia Tech. But could feel the love he had for the Lord and his family. I just want to say to Fred and his family that "death has no sorrow that Heaven can't heal" for Cynthia is resting with our Lord and Savior. Even in our darkest days, the Lord will bring you light. I will keep you and your family in my thoughts and prayers. I would like to leave this scripture with you. "Jesus said unto her, I am the rsurrection, and the life; he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. . ." (Jn: 11:25-26). May God bless and keep you!

“ *It has been many years, but I remember Cynthia as a sweet and loving person and a devoted mother. When I met her, she was watching the latest addition to the family with a look of tender love in her eyes. Jef and I are both so very sorry to hear of this great loss to the family. We are praying for all of you. May our merciful Lord Jesus help to heal your hearts.*

“ I met Cynthia when she lived in Decatur, Georgia. I liked her from the moment that we met. We went to the Farmer's Market and had a good time along with her children. She was easy-going, easy to talk with, and she and I shared the Love of the Lord together. She was a person of deep faith "Bible wise", but more important than that, she lived her faith.

I wish that we had stayed in contact(more) with each other all through the years. No one's fault, just life so to speak. It was my loss indeed. I know, however, she loved me and both Fred III, and Cynthia have prayed for me and my family. I kept in touch with them through Fred's wonderful parents, Bro. Fred Jr. and Mary Cox. Fred, III, and I went to Northwoods Baptist Church in Chamblee, Georgia from around seven years old till both of us left for college and later I married George and Fred married Cynthia. All of us went to pursue the work of the Lord with our specific gifts and talents. Fred and Cynthia. served the Lord wherever they were. They have always been about helping people, and encouraging people along the way.

Cynthia was a great Mom; just what I heard, I truly liked. Even though I had just a few times with her in person; felt I have known her all of my life.

No greater tribute to someone than this spoken about Cynthia: she loved the Lord and her family and served God daily. Thankyou Fred III and Cynthia for loving me throughout all of these years.

Blessed be the Name of the Lord.

As the Word sums it up: To be absent from the body, is to be present with the Lord. Cynthia, get ready for a long talk in Heaven; see you there.

Fred III, my love and prayers go out to you and your family. I love you brother.

George sends his love and prayers as well. love

“ I have no words to say that can express how Cynthia and Fred cared for me in my time of need or how much I have appreciated. Cynthia has always responded to my calls and e-mails with thought, compassion along with Godly common sense advice. Even with Fred and all of the children I am very thankful for the time she took for me as we are passing through.

“ We will miss Cynthia very much as she was a very loving and compassionate person. She always put her family and friends before herself. She raised a very special family. She was always true to her values that a strong religious and loving atmosphere was the key to life and happiness.

Our deepest sympathy goes out to a wonderful family that we were so fortunate to get to know when we lived in the Summer Place subdivision in Acworth, Ga.

“ She was my friend and prayer partner - I will sorely miss talking with her via e-mail. But she is with Jesus and that's what really matters. I treasure her memory.

“ We remember Cynthia's heart for God, for children, and for sharing her life and knowledge. Without her we may not have had the courage to homeschool our children. With out the hospitality of the Cox Family we would not have been privileged to experience the presence of God in their home through the home church they conducted. We learned with them, rejoiced with them, and were the recipients of their love and caring ministry. We will not forget her grace and beauty. We love the video tribute.
Thanks for being part of our lives.

“ I met Cynthia around 1981 or 1982 when I started dating James, her brother-in-law. As time went on and I married, had children, and grew in the Lord, Cynthia became a mentor for me in how to be a godly wife, mother, and daughter of the King. I will not attempt to list all that I gained from her experience and wisdom, but suffice it to say that I do not believe I would be the person I am today if she weren't the person she was to me.

She was a loving, caring, and devoted wife, mother, and friend; she was an intelligent and faithful student and teacher of the Lord Jesus and His Word; she was a creative and masterful homemaker. For her family, she had boundless passion; for her Lord and Savior, she had the humblest of servant's hearts; for her friends, she had limitless time and love to encourage and instruct. I know of no one else like her of her generation.

All of us who knew her have the privilege and challenge of using the precious gifts she gave to each of us. All these gifts were given by her in the fulfillment of the two Commandments Jesus gave as the most important: Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.'

Cynthia Ann Cox was given to us by the Lord as a tangible example of working out our salvation through love, work, and faith. She will be sorely missed and never forgotten, and live on "forever" as each of us pass along to others the gifts we received from her of faith, love, and service.

“ *We are praying for you and your family at this time. May God give you peace and strength as you go through this time of sorrow. I always look back fondly at the short time we had together when you all lived in GA. I have many dear memories of Cynthia, I think of her everytime I see a Forsythia (ForCynthia). Now I will pray for your family whenever I see one. I will look forward to seeing her again in the presence of Jesus.*
