“ So sorry for your loss JOAnn. My dad Bob burgess brought me to your place many times. I remember Dale being so kind and generous as I always wanted to ride one of the horses. Scott would always go with me and I was always in my glory! He would always have a smile on his face when he saw us. You would always have a dinner or dessert for us. Those are my best memories that will never be forgotten. I would of been there for his goodbyes if I would of known. I miss those memories and will always cherish them in my heart! May Dale RIP and know that he made a difference in my life with his kindness and the love he showed for the Burgess clan!

“ Thoughts and prayers for Joann and the entire family, he was a very special person and will be greatly missed. I have so much gratitude for Dale as he always took the time to help my Mother (Becky Manska) with so very much after my dad passed, and always was there to help her or just stop buy to say high and make sure she was ok for so many years.

And many many memories of our families spending time together, so many good memories of snowmobiling, fishing, vacations, birthdays, and farming, I even remember when I lived up north, and Dale and Joan came with my mom and dad to Duluth and we went on a half day boat excursion on Lake Superior, So many fun times that will never be forgotten.
