“ Darwin was the best uncle, I'm so glad that he was in my life. I will miss him greatly. I know that someday I will see him again when Christ comes to take us up to his heavenly home and for me that is comforting. I love you Darwin and can't wait to see you again soon. Love your niece.....Tracy

“ Darwin was a great friend to my mom, Darlen Karl. She always spoke highly of him and admired his dedication to the farm and family. May they continue their conversations in heaven, with Jesus joining right in. My prayers go up asking for strength and courage to you all while you grieve the loss of Darwin.
