So sad to learn of Dave's passing. I have many great memories of Dave. I spent lots of time staying with Sylvia and the entire family while growing up. I loved staying at their farm and being with all of the family. Dave used to keep track of Sylvia and me and make sure we did our chores. Happy times that I surely loved and always remember fondly. They are among my best memories. Dave was a big part of it and he will be missed. My condolences to his family.

“ *Many good memories of the Anderson/Smith boys. We spent a lot of time together growing up, could have been six brothers rather than cousins. I remember riding the work horses (blacky & gueenie) i think, car racing, fishing, irritating Raymond from messing with his fish in the stock tank. Once we gave them our pet duck to live there and were told that a cow laid on it, i think daisy was probably destined for Sunday dinner. Dave will be missed, almost always a smile, cared for Doug and mom when they were ill. Thoughts with the brothers and children.*

“ Growing up with Dave, Chuck and Bruce my brothers Don, Doug and I were pretty much inseparable every summer. Dave was the leader, the mediator, and the enforcer when necessary. When you would crawl up the big tree with the giant wasps nest waiting for enough of the boys to come into range so that when you knocked it down you got maximum effect. It seemed like a great idea and caused major pandemonium. That euphoria ended when out of nowhere you heard this roar coming at you and you knew that life may be a lot shorter than it was prior to dropping the nest cause hell was coming for you and it's name was Dave! You were our leader, Dave, and while you could put the fear of God in us we loved you for it. Goodbye for now and we will be together soon, your cousin, Dick

“ The Babcock family in Boise, Idaho sends our love and respect to Dave and all of the Andersons at this sad time. As a city girl from Idaho, Uncle Dave and Aunt Ardy gave me lots of fun farm memories as a child. I learned all sorts of new things at that farmhouse in Deer Creek, including many colorful words that Uncle Dave used regularly. 😊

The animal pig roasts in honor of Uncle Dave's birthday full of family and laughter stick strongly in my mind.

I love the pic you chose for the obituary. Such a nice smile. I wish I could be there with you for his services. Please know that we are thinking of you and sending you big hugs.

“ So sorry to hear of Dave's passing. He was a great guy and always made me feel so welcome to his family. Doug had a lot of stories to tell about their time as kids. He will be reunited with Ardy and all who went before him. You are all in my thoughts and prayers.

“ Please accept my apologies for not being able to attend. David was my second oldest cousin. My dad and Dave were very close growing up. I know they thought the world of each other. David worked on the range as miner, worked by Hoyt lakes, too. As a kid I fished and hunted with Dave. I have memories of the brothers stock car racing. Because of these guys I am still a fan and car nut. I know David made the best of a tough life and I admire the way he took care of Ardy while still giving love to those near him. We will all miss him. Kevin remember the fast ride in the Duster 340? Your dad wasn't to happy with me that day! God bless him. Take care.
