“ *Uncle Dave,*

You were a Big part of my life.

When we were together, We had the Time of Our Lives.

I Cherish the Time and Memories, and Will keep them with Me til I see You Again.....

You Left us too Early and Unexpectedly.

Now you are in Heaven with other Family Members that Welcomed You with Open Arms.

You Will Always be Loved, and Definitely Missed.

*Love You,
Your Buddy.*

“ *Being the next older brother to Dave ,I knew him his whole life. And it was a real pleasure growing up with Dave. The sad part is, in later life you tend to drift away and not have a lot of contact. Dave was as tough as they come and a super hard worker. I along with a lot of others will really miss my BROTHER, DAVID JOHN NESS !! Sorry to see you leave us this way Dave, but I will see you in our next life with Mom @ Dad. See you then Dave , I Love You,,, Bill*

“ I remember riding the bus years ago with the Peterson/Ness kids. I knew him as "Babe" and used to talk to him at the sawmill or at the VFW; or when he came in to buy cigarettes where I work.

May he rest in peace. Life on this earth hasn't been kind at all times.

Hope to get to the funeral tomorrow, and please note it is supposed to be at one of the churches I work at--the Wadena United Methodist Church, not the chapel-- but know I have to open at a convenience store in the early morning hours.

I'll thinking about all your sibblings and extended family at this time. But I'm sure there will be some tales to tell!!

God's blessings and may you all find peace even through your grief at this very special time of the year. Jesus is the reason for this season.

“ My deepest sympathy to all of you in the Ness family,espically Dave's children. Dave has been a friend of mine for many years and I spent more than one Sat. or Sun. over playing horseshoe, watching the Vikings, and just having a good time. He will be missed by everyone--he was always there to help someone out.
