“ So very sorry to hear that David passed. I always remember him as the little brother of my best friend growing up. Always good-natured. I remember his smile exactly like it is in this picture.

“ I am so sorry to hear about the passing of Dave. I will always have fond and happy memories of walking to and from football practice in the high school days with Dave, and laughing about the football drills in practice. Dave was a good friend at that time and had a good heart. Please pass along my condolences to Dave's family.

I barely knew David but he was a very sweet and nice neighbor at the Commercial Apts. in Wadena. I will miss seeing him sitting on our outside bench with his mom wife Virginia. I pray for peace for his family.

“ Virginia, I was so saddened to hear of David. I have had him in my prayers daily since you asked many months ago and so hoped those prayers were being answered. But God always knows best and we have to accept His answers, even when it is hard. May God bless you with His comfort and peace.
