

## Delmont Allen

September 11, 1946 - December 26, 2010

Delmont Dean Allen was born on September 11, 1946, to Dale and Elizabeth (Volker) Allen in Morris, MN. He entered God's loving arms after a long and courageous battle with ALS on December 26, at the age of 64, at his daughter's home in Wadena, MN. Delmont and Cindy Lou Ackerson were united in marriage on August 3, 1968, in Erdahl, MN. He worked as a barber for five years and was employed as a carpenter for Domier Construction for over 35 years. Delmont served in the Army National Guard. He was the Post Commander for the Portland American Legion, and a member of the Masonic Temple and Shriners. He was a former President of the Eagle's Club in Mayville, a member at Bethany Lutheran Church, and a member of the Mayville Vietnam Vets. “ Cindy and family: I am so sorry to hear of the loss of Delmont and your dad. I know this has to be a very difficult time for you. When Mom and Dad passed, it helped me so much to think that they were both in a much better place and the next time that I see them they will be happy and healthy. You are all in my thoughts and prayers.

“ My prayers are with you and your family Cindy. I remember Delmont used to cut my hair when I was little. Can't say I was all that thrilled at the time, being a girl and all. I felt I should go to a "beauty shop"! :- ) Many more fond memories of Delmont deer hunting with our Domier clan. I can still hear him and Uncle Wayne telling "politically incorrect" jokes. He will be missed by so so many. My deepest sympathies.

“ *So sorry to hear about Delmont. Much too young to leave this earth. I remember him in the barber shop and working construction. He always was so nice. I remember when Cindi worked in the bank. You always looked so pretty and were so friendly. We lived in Minot for 15 years and now we will have lived in Carson for 10 years this August. Time goes by but one doesn't forget special people like you two. We are sending our sympathy and God will give you strength. ALS is a horrible disease. Now he has no pain. Enid*
