“ Wishing I would have gone to Verndale this morning to pay my respects to "Grandma Dee" great gma of one of my son's best friends, Tyler Riewer. And a GREAT Gma this lady was ... as soon as Casey, Tyler and friends could drive this awesome lady had a home cooked meal on the table and ready to eat, almost daily - as these hungry teenage boys came rushing in on their 1/2 hour lunch break from school... she had probably spent all morning in the kitchen just to get a few minutes of small talk in return I am a true believer in the saying "It takes a village to raise a child..." Grandma Dee you were truly part of the "village" that helped raise our son...thank you for being a true example of someone who repeatedly gave to others without any expectations in return! Rest In Peace....Grandma Dee!!!

“ Grandma Dee was such a great lady! Greta, what would we have done without her in High School?! She let us hang out at her place, fed us and let us talk about our teenage drama. She helped me get my first job and started me on a path that would become a career in Nutrition. She will be missed. Thinking of you Greta, and your whole family. Julie (Olson) Ueland
