“ My husband & I were on our way to Delories' visitation & funeral but hit a few slippery black ice spots before Parkers Prairie so decided to turn around & go back to Alex.
Our thoughts & prayers are with you all. Delories was a great lady to know. I enjoyed our chats over the years. She loved her cats & was proud of her hummingbird collection.
She did beautiful crocheted doilies. I still have the unique intricate one she gave me.
May God's presence be with you all & comfort & guide you during this time of sorrow.
