“ I remember doing dishes with Denise in Lois and John's old house in West St. Paul and Lois's dad would listening to some game in the living room with John.

“ For ten years or so in the '70s some of us formed an organization called Todd-Wadena Council on Disabilities. Denise and Art both attended many meetings and social gatherings. How I enjoyed getting to know them. They were such good company, eager to visit and to play Bingo. Great people..... I'm sorry for your loss.

“ I just want to let you know how much my mom, Bea enjoyed your mom's friendship. They were neighbor's in N W Wadena before leaving their homes for the nursing homes. My mom often talked about going over to visit and the fantastic carmel rolls that she served. Not only great food but a great friendship. May you all find peace in the many memories. God bless, Ginny

“ Mike and Adele, So sorry to hear of your mom's death. I have such good memories of them walking the streets of Wadena arm in arm and your mom was always smiling. Do you remember my asking you if your mom ever let you outside? What a dumb question. I was young and stupid then. Sorry I missed seeing you when you were here. God bless all of you!
