“ Heaven has gained a wonderful man..always so kind, caring and a smile for everyone! My sincere sympathy to you Sandy, you blessed him with all your love! May it bring comfort to know Don is loving heaven and being pain free. I know my Dad is happy to have his great friend and neighbor with him! My love, thoughts and prayers are with you Sandy and family.

“ I didn't know Grandpa Keen that well but when I went I went up there this past November he held a special place in my heart, knowing he couldn't really speak the night before I left back to Colorado I told him "Grandpa you better behave yourself, don't be getting into trouble." And he looked at me with a bright smile and said "okay" it caught everyone off guard and that was the beauty about it, I will always hold Grandpa Keen near and dear to my heart, he was a kind man with a personality to light up the worst days, may God take him under his wing and let him be with the angels.
