“ Laurie, Mike, Megan and Brandon: Know that your husband and dad was a well respected man and had positive impact on others. May memories sustain you, may a smile come across your lips as something sparks a memory and may your tears turn into laughter with passing of time. Your dad was always laughing; may his spirit be with each of you now and always!

Know there are many out here to help support you during this really difficult time!

“ Duck was a fixture at Merickel's where I first met him. I worked with him the year I worked at Wadena Builders Supply. (about 1989) A great guy, and one that was always willing to lend a hand. He loved to have fun. I was so sad to hear of his sudden passing. May God grant the family comfort during this very difficult time.

“ Loved hanging around Duck, his laugh alone would crack me up. Fun loving guy and helped out at many events. He had a huge heart. The one that sticks in my mind is the hoop shoot, he was so great with the kids and calmed their nerves so they could do their best. I'll miss him.
My thoughts and prayers are with the Pulju Family

“ *The happiest man I ever knew--God must have needed him up there.*

I think of my uncle Melvin, Don's dad during this time. Melvin and Don were alot alike--always happy. Melvin was also taken from us way too soon.

Dear Toby--I wish I could give you a hug right now. I know this will be so hard on you, but know how much we all love you and hopefully time will ease some of this terrible pain.

Dear Lori and kids--hopefully good memories of great years spent with Don will help you through this terrible time.

Love and Prayers,

“ *Don...*

What can I say.

He was one of the all around nicest guys I know. He always greeted you with a big white smile, never had anything bad to say about anybody, and would do anything for you.

I loved him like a brother!

“ I remember 'Duck' as being that big smiley guy...in fact the last time I saw him I was watching one of my sons play baseball at Hubbard and he made sure to invite me over to visit for a while....and he made me feel like it was just yesterday(although it had been a long time since we'd visited)that we'd played ball together and had so very many good times... I know he will be missed by all...I had not seen him very much over the last 20 years ..but I will miss his laughter and friendship as I know that it was so very genuine!!!!!!

You were loved by many people...Don

“ Don's family--I am so very sorry to hear about Don's passing away. I will miss his friendship, as he was a one-man welcoming committee at the Nite Owl during my semiannual trips back to Minnesota. I still have memories of time back in rinky-dink baseball watching Don hit long line drives just short of the rightfield curb. He couldn't quite get them there, but nobody else could get them even close.

Don-I will miss you.
