“ Dear Blaha Family,
Our thoughts and prayers are with all of you at this time. We are so sorry for your loss. Don was a wonderful man, always with a smile and a story and a way of making you feel really welcome. I know my Dad enjoyed Don and considered him one of his best friends. I imagine the two of them are having coffee and hashing over the worlds politics right now. Hold close to your heart your memories.

“ It was a great pleasure to know someone as kind and special as Don. I know my parents were very fond on Don and couldn?t ask for a better neighbor, after getting back from FLA. Every spring one their first visits was to sit on Dons porch with a cup of coffee, enjoying all the hummingbird and the great smells of the farms. We will miss him greatly. I pray he is a special place now visiting all his friends and family who have gone before him and visiting with my dad, since they didn?t get the chance to do so this spring. My deepest condolences go out to all the family; you are all beautiful people as you are part of Don.

“ *What a great man. So many fun times with conversations, cards, listening to Don and Stan talk about Studebakers. He and your mom were always so concerned about everyone else. I will be up to see you.*

I could not get my computer to pull up the DVD. Clicked on it, but it was blocked. Love from Coleen.

“ *I can't think of a nicer family than the Blahas. I miss great people like them so much now that I live in the big city. Most of us only dream of knowing people like this.*
