“ Mrs. Lageson was a really really neat teacher. I remember her making 3rd grade not just a year to learn what you normally learn in 3rd grade but what a friend she became to all students. I believe she was a person that gave all of us students a flavor of what Jesus must be like !! She was always a pleasure to talk to through the years !! She will be missed and the world will have a void . What a dedicated teacher who shared her all !

May God wrap his loving arms around the Lageson family and comfort you at this time.

“*Roger, you are in our thoughts and prayers. Doris will always have a special place in our hearts. She was so welcoming and supportive when we moved to Wadena. Our children didn't even have Doris as their teacher but you would have thought so because she made a point of asking about them as if they were students of hers! She was a wonderfully kind person. Beautiful inside and out!!* ❤️
