“ All of our memories of Bud are good. He was the sweetest man on earth. He raised 3 beautiful children and was a good man. He was such a kind and thoughtful man. He never forgot or mixed us kids up even though there was 9 of us. We didn't here Bud passed away until the day before the funeral but we wanted to let Vicky, Linda, and Alan know we will miss him dearly. They were so lucky to have a father/grandfather like Uncle Bud. My kids remember Bud fondly even though we have seen him less and less over the course of the years.

We will always love him and remember him with great affection. We are sorry for the families loss.

Love,

Sandy and all

“ I loved my uncle very much and have many memories of fun times at the farm riding horses and playing in the barn. One especially funny memory was when my sisters were riding double and somehow ended up ON the manure pile. I guess that horse didn't like ****. It was always my favorite place to go as a kid. Uncle Bud was a great guy. Always happy! Always wonderful!
We will miss you!
