“ *Edith was a Lady (with a capital L) who was a very gracious and caring person. She always had a kind word for everyone and seemed to take on whatever life threw at her with a lot of confidence and grace. Now she goes to join her lost loved ones. May you all find comfort in the memories of such a wonderful woman. God bless. We will miss her.*

“ Edith was extra special to me as she was my first golf partner. I had just taken up the game and we had some very good laughs on the Wadena course.

Our friendship ranges from Wadena, Gull lake and Sun City, AZ and the Lutheran churches...She will always be remembered as a caring, sharing, woman of God...She lived a full life and we can all share in the memories of one fine woman.....4

“ Special is the word that comes to mind when I think of Edith. She was always so hospitable, so sweet and kind. I always felt at home in her presence.

Cy always told me how fantastic she and Mert were when they took care of him after he had surgery when he was at the university. She was one special lady!

“ Dear Don, Jean and Jan,
Your Mom and Dad were wonderful, kind and sweet people. I enjoyed the days when I took care of your Dad and got to know your Mom and family. I have many fond memories of them. I have been thinking of Edith alot since the tornado but didn't know where she was. I hope to see all of you at the service. God bless and be with all of you. Your Mom loved life and all of you. The last time I did stop to see her we had a wonderful visit.

“ I have so many fond memories of Edith and Merton, they were such a gracious couple. They always had time for company and were a living part of our family as my mom, Jean Hanson, always relayed many stories about the cousins and their adventures in life. I know our formative years were based a lot around family and yours was certainly a part of that. May God bless you all at this time and our thoughts and prayers are with you all

“ *Edith Our Edith!*

What a great and glorious life that brought only happiness and joy to anyone lucky enough to share in it!

I am honored to have known her, laughed with her, been hugged by her, and inspired by her words of humility, humor, and optimism.

A celebration of her precious legacy will be ongoing for the rest of the lives of the people she touched.

Much much love to the Bottemiller and Lefevere families.

“ *Don & Family.
So sorry to hear of your mother's passing.*

What a wonderful lady. I have so many fond memories of her and your father , from church to them being great friends with our parents Bill & Joyce.

Your mother was so warm and outgoing and welcoming every time one saw her. I know her faith and service to the church and others was evident to all who knew her.

Please know you are in our prayers and may you always remember the great woman she was and the many wonderful times you had with her. She is now at peace and at home with God and she and your Dad are together once again.
