“ My Granny was the best woman ever! She was stubborn as a mule, but wonderful nonetheless. I will always remember our times at Lake Norman. I will miss so very much her whistling in my ear with her hearing aides. We all used to make her do this over and over as children. We were fortunate to have spent time with her in September of 2011 and I made her whistle in my ear before she left. Gramps and Granny are one and always will be one. My heart is heavy as I remember all the wonderful times with them. She will be so very missed. I find some comfort in knowing that she is with her wonderful grandson Brett Anderson in heaven. Love love love and hugs to my sweet Granny! All my love and hugs to my Gramps as he deals with the loss of his life companion.

“ *Even though we are not related, I always thought of Eileen as my second mother. I have very fond memories growing up next door and spending time at Lake Norman. Eileen and Kenny gave me my lifelong interest in water sports and sailing. Such a special lady who will be greatly missed! Donnie and I cannot be with you in person, but our hearts and spirit are with you at this difficult time. Our prayers are with you. We love you.*

“ We will most certainly miss Eileen's infectious laughter. Take comfort in knowing she is indeed yucking it up with all the other dear family members who left us way too soon. I'm sure she and Dad are swapping funny stories and smiling down on all who are suffering her loss.
