“ To those of you that have sent messages We Thank You all very much.

To get the video tribute you have to let it download for probably up to 45 minutes as there is sound with it. The funeral director told us that.

To my Beloved Mother;
I miss you so very much already. May you rest in peace and we know you are safe in Jesus' arms.

Till we meet again

“ We share an emptiness that can't be filled, but we must give thanks for the love and support large families and small communities provide.

“ Eileen was such a warm loving person- always had a hug for all of us. Eileen and Laverne were good friends of my parents - Erv and Loretta Kremer (both passed on,too) though Eileen was special to me- we were "birthday buddies" , she'd always say and she always sent me a birthday card with a silver dollar in it. She was a very special person. I don't know where she found all that love she shared.

I know have another reason to remember Eileen- she died on the same day as my dad. She's with friends (and family) in heaven. God's blessings to Laverne and all the children. my thoughts and prayers are with you.

“ Eileen was always so much fun to be around. She made every get together special. I know she is having a great time in Heaven. By the way I forgive her for always hating my name "Matthew". If you have questions about this you can call my Mother and ask her about it.

Love to you all and God's peace.

“ I loved Aunt Eileen's greeting when you walked into the room.... "Well, hello dear..." From the big Crocker reunions at Sunnybrook, to the one on one moments (the last time I saw her was at the hair salon), Aunt Eileen's arms were always open and you could expect a great big kiss with your name on it. She was a very special lady and will be missed by all!

“ LaVerne and Family,
My thoughts and prayers are with you as you say goodbye and celebrate Eileen's life. She had a beautiful way of making a visitor feel like there was no one else in the world she would rather be spending time with at that moment. Her love for her family was evident in her conversation, in all of the pictures and from the fact that whenever I was in her home, at least one of her children stopped in or called!! May you all be at peace. Jane
